notice

notice to agent is notice to principal. notice to principal is notice to agent.

silence is acquiescence, agreement, dishonor and estoppel.

to Robert M. Sumners, the man acting as Director of Government Filings for Office of the Texas Secretary of State; in private and unlimited capacity.

hereinafter: you, your or yours

from the self-aware; the living soul of god within the living flesh and blood man of god created by the will of god in the image of god on land of god with dominion of god; a true fact of nature.

hereinafter: me. my, myself or i.

**robert, i require you unambiguously define what "\$18" is factually.**

i require certified copies.

i am true lawful man and wish to make true lawful payment with true lawful money.

you are compelling me, against my own will, to use your corporations private script.

i do not wish to participate in fraud.

i am not a member of your corporation, community, society, organization, military or any other fiction of law operating in de facto status.

it makes absolutely no sense to me why you will accept debt for discharge but will not lawful money for payment.

this appears to me to be fraud.

to accept debt and refuse payment is absurd.

i require you act in good faith of your sworn oath of office and provide full your disclosure to me.

who is the principal is the true principal your agency.

regards,  
master
